The famous pizza of Naples, Italy is made by artisans who use simple, local ingredients and bake in hearth ovens to create their renowned *pizza napoletana*. In the same manner, we make the dough from scratch, add our own handmade ingredients, and bake the pizza for you on the hot hearth of our special Naples-style oven. The result is an amazing pizza in the style of Naples that has the signature airy crust with a charred exterior and chewy interior, and each bite containing just the right ratio of toppings.

Buon appetito!
